OWAHGENIA

1961

ALMA MATER

By the Shores of Owahgenia,
Stands our school so fair.
We will always treasure
The love and friendship there,
And strive to keep forever
Her stainless honor true;
Hail thee, Cazenovia
And the gold and blue.

When we leave thy friendly portals
We will backward gaze,
Memories will take us
To happy high school days
And give us strength and courage,
Through all Eternity;
Hail thee, Cazenovia
Hail, oh hail to thee.

Coye-Finke

"All Hands on Deck"

PRESENTED BY THE SENIOR
CLASS OF CAZENOVIA CENTRAL SCHOOL

Mr. Walter Moon

DEDICATION

Throughout our high-school careers Mr. Walter Moon has been a friend and a continual source of knowledge. His understanding of our problems and his capable guidance have led us to a maturity of thought and expression.

His lively humor, tempered with a sharp wit, his thorough mastery of subject material, and his firm hand when needed, have contributed to many enjoyable classroom experiences.

His determined leadership in class activities has produced a rich and rewarding three years for us.

So it is to our cherished friend, Mr. Moon, that we dedicate this 1961 edition of the Owahgena with the hopes that he shall continue to guide the students of our school with as much individualism in the future as he has in the past.

BOARD OF EDUCATION

Mr. Theobald

Mr. Virgo

As you move ahead then, you will want to take an occasional look behind at the things you have done, and the friends who did them with you. Let this yearbook of 1961 aid you. Treasure it, as you will call upon it many times to bring back many pleasant memories.

Roderick Virgo

Mr. Crumb

"All Hands On Deck" is a fitting theme for this 1961 Cazenovia Central School Yearbook. It signifies that Cazenovians are alert and ready to meet whatever challenge that may be forthcoming.

It carries with it the implication that Cazenovians are ever willing to lend a hand for the welfare of their church, home, community and nation. Finally, it conveys the impression that our young people may be expected to perform at all times in an open and "above board" manner, ever bringing credit to their home and school.

Henry Crumb

Miss Elizabeth Robinson

The Senior Class of 1961 wishes to express sincere appreciation to Miss Robinson and Mr. Kendrick, who assisted our previous sponsor in the final year of our high school career. We realize what a difficult thing this was to do and we thank them for their co-operation and understanding unselfishly rendered to the class.

COLGATE SEMINAR

Every other Monday evening twelve students from our school go to Colgate University for the evening where they attend lectures and listen to professors of the college speak. The lectures are on various topics which the students have previously said they would like to attend. A student hears three lectures on each topic and then is assigned to a new topic, therefore, making it very interesting. These sessions enable the high school students, who attend, to get a small idea of what college life is like.

FUTURE HOMEMAKERS OF AMERICA

We are the builders of homes,
Homes for America's future.

Our primary aim is to develop
and promote homemakers towards
new horizons.

This year the club will com-
plete its twelfth year of organiza-
tion with Mrs. Cook as our
advisor. Through the years we
will be concerned with learning
by doing so that we may, in the
future, live to serve others.

JUNIOR ROTARIANS

Each year, eight outstanding Senior boys are awarded the honor of being selected by a faculty committee to be Junior Rotarians. Each boy attends each Rotary meeting for one month and consequently becomes somewhat familiar with the functions of one of our civic organizations. At the last meeting they elect their own officers and conduct the meeting.

GIRL'S STATE

Girls' State is sponsored by the American Legion Auxiliary and is held at New Paltz State Teachers' College. The setting up and study of government at all levels, local, country and state is the purpose of Girls' State. Besides studying, we have the privilege of meeting outstanding young people from all over the state. Having attended Girls' State, we should be a better citizen.

Jackie Elliott

BOY'S STATE

L. to R.: Barrett Hermann, Fred Broberg, Joe Schelah.

Boys' State is a wonderful opportunity for young men to express their knowledge and understanding of the New York State government. Also it is a chance to understand more fully the workings of governmental affairs, which is the main purpose of Boys' State. Soon after school is out, the selected boys leave for Colgate University, where they spend a week setting up and running their own government, city, county and state.

LEAGUE OF WOMEN VOTERS

The Junior League of Women Voters is composed of seven Senior girls chosen at the end of their Junior year on the basis of good citizenship and personality to participate in the local League of Women Voters. While members of this organization, the girls attend several meetings at which they listen to political speeches and become introduced to other political activities, thus familiarizing themselves with the various governmental practices which are present in the democratic system.
